ISRAELI K-9s ARE THE MOST MORAL K-9s IN THE WORLD.

We have an amazing army, with wonderful and heroic soldiers: Our brave soldiers who are now in Gaza, around Gaza and in the other sectors throughout the region, join a chain of heroes of Israel that has continued for over 3,000 years, from Joshua, Judah Maccabee and Bar Kochba, and up to the heroes of 1948, the Six Day War, the Yom Kippur War and Israel's other wars.

Our heroic soldiers have one supreme goal: To destroy the murderous enemy and ensure our existence in our land. Whoever dares to accuse our soldiers of war crimes are hypocritical liars who lack so much as one drop of morality. ***The IDF is the most moral army in the world.*** Israel is fighting not only its war, but a war for all of humanity – the war of humanity against barbarism.

Since the start of the war, we have succeeded in securing broad international support which includes leaders from the US and Europe, led by President Biden, together with the French President, the British Prime Minister, the Italian Prime Minister, the German Chancellor, and the leaders of the Netherlands, Greece, Cyprus and from other countries as well. They came to us in wartime and brought one clear message: We not only support you – we hope for your victory. We welcome this. This will be a victory of good over evil, of light over darkness,

We have a shared language with the dogs. Our language is not so much expressed through words or signs but through our shared feelings.
